Conversation: Thanks Mark!

I was in Tech for Midsummer with SW Shakespeare & had to miss the Zonies this year. I had many friends up for awards and due to late nights, I haven't been able to get to low down on all the winners. I figured you'd have them listed as usual. I just wanted to pass along a huge thanks for making it so convenient on your site to look at just the sections I was interested in. It's appreciated.

Diggin' on the convenience,
