Hey Mark,

Just wondering if you're going to be coming out to see "A Christmas Carol" at Hale this year. I know you missed it last year so I thought I'd ask as I don't see it on your "upcoming reviews."

Thanks,
Jere

Sorry Jere.

After ten seasons, I review a very few select holiday shows these days, and try to avoid any *Christmas Carols* if possible. You can only take so many viewings before you lose sight of the art within the commerce. Break a leg, though.

(Holiday) Cheers,
