*Mr. Turvin,*

*I would like to take this time to apologize to you. I wrote a letter to you in reference to a production of the Sound of Music that you reviewed. I said things in the letter that I regret, having never met you nor knowing anything about your work in theater. You were in your right to say what you felt about the performance and I should not have acted so rashly.*

*I appreciate the work that you do in the community and would not want to jepordize that in anyway. said some cruel things to you in my letter. Things I wish I had not said. I would like to again apologize for any negative or slanderous remark I made towards you in my letter. It was unfair and unkind of me to do so.*

*I hope you can forgive the error I have made.*

*Sincerely*

*Michael Shell*
